THE
STYLISH
ELEGANCE

Interactive and engaging.

Where we work and learn is always active and ever changing. Quanta Max is a family of plentiful solutions and expansive choices, so you can have comfort and function all in one.

Poised to make an impression.

Giving Back to The Common Thread for the Cure

Versteel is dedicated to raising awareness for breast cancer and helping those who are battling the disease. For every sale of Quanta Max with poly shell, Versteel makes a contribution to **The Common Thread for the Cure**, a foundation established to unite the furnishings and design industry in a the battle against breast cancer. They support individuals who are fighting breast cancer by offering financial assistance through confidential Helping Hand Grants.

Quanta Max is artistically crafted with aesthetic curves and architectural strength.
Go bold or neutral with varying color options for poly or ply shell; metal or wood frame.
The flexible back maximizes functional design, instinctively moving with you.

Designed exclusively for Versteel by Roberto Lucci.
